

KNIGHTS OF COLUMBUS

IN SERVICE TO ONE. IN SERVICE TO ALL.

May 27, 2012

Dear Fellow Parishioners,

It is with great pleasure that Knights of Columbus, Council 3512 proudly support the St. Stephen Parish Community in building a concrete paver path from the Church to the Blessed Mother. The project is appropriately named "Prayer Pavers to our Lady". All proceeds will benefit the St Stephen parish community.

The walkway is app 600 square feet. A two foot section down the middle will be reserved for graduating classes of our school. The remaining 400 feet will be available for sale. We will hold a groundbreaking when either 200 pavers are sold or \$20,000.00 has been raised. Our supplier will give free delivery for orders over 100 pavers. After the initial walkway is built, unsold spaces will contain blank pavers. These will be available for sale on an ongoing basis. In the event we do not raise the initial \$20,000.00, your money will be returned.

Pavers are available in 3 sizes: 4" x 8" for \$100.00, 8" x 8" for \$175.00 and 12" x 12" for \$500.00. Samples are available in the church vestibule after each Mass and in Mrs. Katy Fagan's office during school hours. Order forms will be available after Mass or online at: www.StStephensPennsauken.com.

Each Ministry will have a point of contact to collect orders. The point of contact in our Council is Michael M. Ciarrocca at (856) 425-4799 or Ciarrocca@juno.com.
